

“I receive comments on a regular basis from producers that value the information. Your special guests focusing on farm management, accounting and herd health keep producers consistently thinking about new and different ways of doing daily tasks.”

- Pam Jahnke, WTDY, Madison, Wisconsin

“Great job on DairyLine. It’s been a great addition to our programming. We get comments even from those not directly in the dairy business as the program keeps them updated on legislation, news and prices of dairy products.”

- Emery Kleven, KKSC-AM, Omaha, Nebraska

“... due to the success of DairyLine on our Oldies station ... we’ve decided to add the show to one of our other FM stations! ... Your commitment is a real tribute to the people who count on the DairyLine” message.

- Dave Magnum, WBOG-FM, WUSK-FM, WTMB-AM, Tomah, Wisconsin

“Your DairyLine program fills a definite need and is a real asset to our morning farm programming ... The news is relevant and up-to-date, and has brought us expressions of appreciation from our farm audience.”

- John E. Eby, WDAC-FM, Lancaster, Pennsylvania

“I have received numerous favorable comments and phone calls about your report. Thank you for your very informative, accurate reporting.”

- Leslie Sisk, KSEL Portales, New Mexico
